## CONSORTIUM REGISTRATION POLICIES AND PROCEDURES

### POLICIES:

1. Students are guided by the policies and deadlines of the home institution.
2. Consortium registration can be confirmed only after classes begin at the visited school.
3. To participate in consortium cross-registration, students must be eligible for enrollment at American University and accepted in a degree program. *Non-degree students are not permitted to take courses through the consortium.*
4. Students are not permitted to register for courses through the consortium which are offered at American University. Neither undergraduate nor graduate students are permitted to enroll for courses whose content is substantially the same as courses offered at AU.
5. Credits earned through the consortium are considered residence credits and thus fulfill academic requirements of
